Catch the Trains

See more than 25 G-scale model trains and trolleys hum along nearly a half-mile of track. Don't forget to look up—NYC bridges come together to create an aerial display of trains soaring overhead and outdoors on our all-new Conservatory Lawn display.

Discover the Landmarks

Nearly 200 scaled iconic buildings and structures such as the Brooklyn Bridge, Yankee Stadium, and the Statue of Liberty are displayed under thousands of twinkling lights. Step into a miniature city where famed New York architecture is re-created using bark, leaves, and other natural materials.

Enjoy the gift shop and lunch on your own.
