KIDDIE KAMP

Ages 3-5

Thank you for choosing Kiddie Kamp for your child(ren) to attend this summer. We are excited to get to know your child and provide a safe, fun-filled, memorable camp experience. Please find some information below that will help make this camp season a success.

Camp will run for six weeks (Mon-Fri) from July 7th to August 15th. We operate our camp daily from 9:00am – 12:00pm.

It is imperative that your child comes to camp everyday **PREPARED** for activities. We will walk up to the park every day (weather permitting), please send your child with the appropriate footwear. Preferably socks and sneakers. Also, please send them with a backpack, marked with their name, that they will be able to carry to the park with their water bottles and belongings.

Hats, sunglasses, sunscreen, and plenty of water are also strongly recommended. Please remember that sunscreen should be applied before your child comes to camp, as per the state, we are not allowed to apply sunscreen to your child. Please provide a snack and plenty of water for your child to have during the day. It is recommended that campers do not bring toys or electronic devices to camp. The Recreation Department and its staff will not be responsible for any personal property that is brought to camp.

Every Thursday, if the weather cooperates, we will have water day! We will be doing lots of water activities outdoors, so dress your child appropriately. Have them wear their bathing suit under their clothes that day, or clothes that you don't mind getting wet! Also wear some type of water shoes that day! You can also send in a towel with them! If we need to change the day of water day that week, I will send out an email that week.

If you have any questions or concerns about the Kiddie Kamp summer program, please do not hesitate to contact the office at 845-564-7815 or by email: shannon-recreation@townofnewburgh.org. We are looking forward to an exciting summer for all.
