PLAYER CONDUCT

1. Alcoholic beverages are **NOT ALLOWED** nor will they be tolerated on any field especially in the immediate playing area. Managers are responsible for their team and fans in the immediate area of the benches. Managers and/or players found consuming alcoholic beverages on the immediate playing field or surrounding areas are subject to immediate ejection from the game.
2. Managers are responsible for the conduct of their players at the field. In order to keep this under control, all managers should advise their players that the failure to follow the rules of good sportsmanship will result in their being removed from the game and possibly suspended from future games.
3. Use of obscene or vulgar language may result in an automatic ejection from the game. Umpires are advised to strictly enforce this rule whenever the language is excessive or personal. NO warning is necessary before an ejection for obscene or vulgar language. This is a RECREATION league.
4. Should a player be ejected from a game, he/she must leave the field of play immediately or risk the chance of his/her team forfeiting the game. Umpires also have the authority to remove a player from the County facility.
5. The Town of Newburgh Recreation Department reserves the right to discipline participants for unsportsmanlike conduct.
6. Any player who intentionally pushes, shoves or strikes an umpire or official scorer either with his/her person or an object may be suspended for the remainder of the year and possibly face a lifetime ban depending on the degree of action.
7. The league reserves the right to suspend any player(s) that exhibit behavior that is detrimental to recreation softball – profanity, fighting, taunting, umpire abusing, etc. Players and coaches can be suspended for violations.
8. Anyone, players or managers, ejected by an umpire may be suspended from the next game his/her team plays. A second suspension will result in a 3-game suspension; third offence player will be disqualified for the season. This action will take place pending notification of the umpire involved.
