MSLC PRESENTATION & CANCER SCREENING

Montefiore St. Luke's Cornwall's Littman Cancer Center's Oncology Navigators will be hanging out at the Newburgh Recreation Department to give a presentation on the oncology navigation process. Paula Paez and Tina Unsworth will cover the whole process from community resources to financial assistance and more! After the presentation, Paula and Tina will stick around to assist attendees through breast cancer and lung cancer questionnaire screenings. Feel free to stop by even after the presentation to take a screening questionnaire or to ask questions!
