

FREE MSLC EDUCATIONAL SEMINAR

CARDIAC CATHETERIZATION & ANGIOGRAM

ALL YOU NEED TO KNOW ABOUT THE PROCEDURES

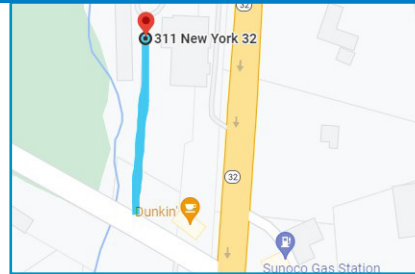

Do you have chest pains and shortness of breath? Your doctor may prescribe a Cardiac Catheterization or Angiogram test to find out why. Dr. Shah will break down both procedures and what signs indicate that you may need one.

Refreshments will be provided.

THURSDAY, APRIL 25, 2024 • 9:00 AM

Town of Newburgh Recreation Department
Back of the building

311 New York 32
Newburgh, NY 12550

Presented by

DR. NIRAV SHAH

Medical Director of MSLC's
Cardiovascular Institute
